BOGOTÁ DESIGN FESTIVAL

April 25 - 29

Bogotá Design Festival

The **9th edition of the Bogotá Design Festival** will take place **from April 25th to 29th!** This city event is a platform to generate connections with the cultural and creative sector, where creativity, innovation and design are gathered and promoted in all its states. In BDF, **the creative industries and design are the transversal subject**, which impact both the commercial and cultural sectors as well as urban identity.

Its academic and commercial agenda and its tours of the different venues and spaces are **the perfect meeting platform for manifestations of design and creativity.**
